

BEETROOT POWDER RECIPES

Our Beetroot Powder is made from 100% beetroot and is, of course, approved by The Vegan Society. Believed to boost immunity, endurance and stamina as well as increase energy levels, beetroot's health benefits only add to the charm of this distinctive root vegetable. Our beetroot powder's rich earthy flavour and vibrant colour make it the perfect ingredient to make delicious beetroot lattes and red velvet hot chocolates. It can also be added to smoothies or as an ingredient in red velvet cakes. Squeezing an incredible 24g of fresh beetroot into each concentrated 3g portion this is the convenient, hassle-free way to add beetroot to your drinks menu.
